

CATARACT MD is currently seeking a motivated Registered Nurse to work at their Toronto center. This would be a part time position, requiring a very flexible schedule.

Description:

The Registered Nurse will be in charge of preparing the patients for surgery, assisting the surgeon during the surgery as well as help and guide the patients during their post-operative examination. The RN will also be in charge of keeping the operating room sterile along with making sure we have the right amount of equipment at all times by managing the ordering process.

Requirements:

- Registered Nurse (RN), preferably with previous experience in a cataract surgery setting
- Autonomous and highly motivated
- Easily adapts to change
- Flexible, as hours of work may vary from week to week.

If you think you are the ideal candidate for this exciting and challenging position, please e-mail your resume immediately to Genevieve Pilon, Director of Human Resources at gpilon@lasikmd.com or by fax at: (514) 904-1199. Please note that only selected candidates will be contacted.
